Welcome to the Spring edition of Look East

The City of Norwood Payneham & St Peters officially has a spring in its step!

With warmer weather just around the corner, we are very proud to reveal the incredible 3D concept design of the Payneham Memorial Swimming Centre.

As you can see from the fly-through video on the front cover of this edition of Look East, the new Centre will offer more than just swimming, with high platform water slides and play areas as well as two new pools—indoor and outside.

On a different note, while it seems that Winter is well and truly behind us, it's always important to plan ahead when it comes to heavy rains and stormwater.

That is why the Council is continuing to deliver on its multi-million investment to protect residents and businesses from the risks of flooding.

To look at the spectacular time lapse video of infrastructure work which has recently been completed throughout our City, please visit page 7.

The Council was also thrilled to learn in July that the redeveloped Norwood Oval was crowned the state's winner of the AFL's Ken Gannon Community Football Facilities Award.

The multi-million-dollar upgraded Oval was the only facility in South Australia to receive the Award, which is presented by the AFL's Australian Football Facilities Fund. Find out more on page 1.

And as always, the City of Norwood Payneham & St Peters has been working tirelessly to boost the local economy.

To find out more about the initiatives currently underway and to see pictures and videos of recent events, see pages 2–5.

At the time of issue, the Council was in "caretaker mode" with the Local Government elections being held in November. For this reason, this edition of Look East does not contain a message from Mayor Robert Bria as is protocol during the lead up to the election.

It's so important to have a local voice and we strongly urge you to enrol and vote. [Click here](#) for more information.

We hope you enjoy the Spring digital edition of Look East.

Norwood Oval continues to kick goals on the national stage

The redeveloped Norwood Oval has received the prestigious AFL's Ken Gannon Community Football Facilities Award.

The multi-million-dollar redeveloped Oval was the only facility in South Australia to receive the Award, which is presented by the AFL's Australian Football Facilities Fund.

To be honoured with the Ken Gannon Community Football Facilities Award is an incredible result and testament to the vision, determination and hard work in what was a huge team effort.

The Council, the Norwood Football Club, State Government and Federal Government contributed, along with award-winning winemaker and former Number One Ticket holder of the Club, Wolf Blass AM.

The redevelopment—which was completed in late 2020—involved the construction of a new two-storey community centre, where the former Baulderstone Stand was located, transforming the venue into one of the premier facilities for football in SA.

The redevelopment also significantly improved facilities for both male and female players and umpires while encouraging increased female participation.

The Ken Gannon Community Football Facilities Awards recognise, on an annual basis, best practise in community football facility development across Australia, along with the people, clubs and other stakeholders driving our best community level projects.

NPSP continues to boost and support the local economy

The City of Norwood Payneham & St Peters is home to about 7000 businesses creating more than 24,300 jobs across the City.

The Council works tirelessly to ensure that businesses in our City receive the support they need in a timely manner in order to deliver real and tangible results.

Raising the Bar Adelaide 2022

With sold out shows, a selection of thought—provoking and captivating speakers, Raising the Bar Adelaide 2022, was once again a resounding success!

A majority of the 10 venues were at capacity on Tuesday, 9 August—in what is normally a quiet night for the local hospitality industry.

The Alma hosted the biggest crowd with more than 150 people gathered to hear the story of Derrick McManus, a former STAR Group officer who survived 14 bullet wounds during a siege. His talk focused on human durability and resilience.

At the 6:30pm session, the audience hung on every word as The Advertiser's Chief Court Reporter Sean Fewster and Change Management Consultant, Daniel Panozzo—spoke about South Australia's legal system and their own podcast—Just Lawful.

Other topics included how to deal with levels of stress, fashion, nutrition, religion and the law, STEM (science technology, engineering and maths) plus much more!

Raising the Bar is a global event series which began in New York and aims to make education a part of popular culture in cities across the world.

Thanks to everyone who attended this year. Were you spotted in the crowd? View the photos from the night in the gallery above.

To find out more about Raising the Bar Adelaide and to express your interest or to speak in 2023 [click here](#).

Diverse industry leaders take centre stage

Our City has again created a unique platform for local businesses to share their insights and stories—through the innovative Behind the Businesses Podcast.

Series 2 is available to watch or listen to now. It features 15 local business leaders from a range of professions and industries who discuss a variety of topics, and contribute to the vibrant business community.

Set in the upper level of Beyond Bouldering as well as the relatively new Reform Distilling, both in Kent Town, the professionally filmed episodes are hosted by local Parade identity, Nick Keukenmeester, from Heartland Wines.

The podcast gives local businesses the opportunity to connect with the wider community through the personalisation of business stories and it also helps businesses connect with other like-minded business people in the City.

Series 2 features a range of topics: Magill Road, The Parade, Something Different, Need Support and Building a Brand.

Speakers include Owen May from Beyond Bouldering, Dr Derek McNair from The Parade Norwood Veterinary Clinic, Steve Osborn from Identity Marketing plus other well-known business identities.

The City of Norwood Payneham & St Peters is constantly diversifying the way it promotes local businesses and attracts people to our dynamic City.

To watch or listen to the podcast episodes and hear insights from our City's business leaders, [click here](#).

Reversing the trend on fast fashion

A Day of Fashion will be held on The Parade on Saturday 15 October—but with a swift twist!

Reversing the trend of “fast fashion” is the order of the day. There will be the In Conversation With... Fashion Talk about all things community, circularity and sustainability.

The inaugural Sip & Swap with The Clothing Exchange invites fashion lovers to bring six clothing garments and accessories that they love but no longer wear, to swap at a unique event.

The day will also feature in-store offers and experiences, live music pop-ups at various locations along The Parade and a private screening of House of Gucci at Hoyts Cinema Norwood.

Not only is the event a treat for fashion lovers and shoppers in general, it is also expected to provide a boost to local businesses.

Last year's fashion event, also hosted by the Council, resulted in the second largest single daily spend on clothing in Norwood, outside of the Christmas period.

For more information and to book tickets to A Day of Fashion events [click here](#).

The Parade, Norwood gift cards

In what is believed to be a South Australian first for an outdoor shopping precinct, the City of Norwood Payneham & St Peters has launched a gift card for Adelaide's premier main street, The Parade.

Endorsed by the Council's Norwood Parade Precinct Committee, the concept was created by the Council in order to help boost the local economy.

The Parade, Norwood gift card is available from the Norwood Town Hall and can be purchased and loaded from as little as \$10 up to \$1,000.

The cards are the perfect gift for any occasion and can be used at businesses within The Parade Precinct—including restaurants, coffee shops, boutiques, homewares, florists and more!

For more information [click here](#).

Sweet taste of a Food Secret

The Food Secrets + EWAT Bus Tour is not really a secret anymore.....just ask Joe from Quinzi's Confectionery, located in Henry Street, Stepney.

Joe recently had a chat to Mayor Robert Bria about how much Food Secrets has helped shine a light on his confectionery business and how foot traffic has increased since becoming involved in the initiative in 2016.

The revamped tours now incorporate a stop in at one of the Eastside Wine & Ale Trail businesses to sample a wide range of beverages.

To make a booking for the next Food Secrets + EWAT Bus Tour, [click here](#).

Peter Young, Council Volunteer

Around the City

Updates from the Council and a look at what's happening in and around your local area.

Each of the projects carried out by the Council works towards the four outcomes of its Strategic Management Plan, *CityPlan 2030: Shaping Our Future*. Together reaching these outcomes helps to achieve the Council's overall goal of Community Well-being.

- Social Equity
- Cultural Vitality
- Economic Prosperity
- Environmental Sustainability

Peter's prized Premier's Award

When the City of Norwood Payneham & St Peters nominated Peter Young for the prestigious 2022 South Australian Premier's Volunteer Award, he took it all in his stride.

In fact, it was only when Peter researched the esteemed Award that he realised the significance of his nomination.

"When I saw the Premier's face and signature on the Award—I thought 'hold on' this is actually a pretty big deal!"

"I felt very honoured to be nominated by the Council because I love doing what I do. I love chatting to people and going on excursions. I think it's a dream job."

Peter, 71 of Joslin has volunteered with the Council as a Community Bus Driver for the past five years.

The Council's Community Services Coordinator, Kerry-Anne McVeigh, says she nominated Peter because he is a "joy to work with".

"Bus passengers enjoy having a chat with Peter. He is well travelled and tells interesting stories," she said.

"Importantly, Peter is a reliable and dedicated Volunteer who enjoys helping the Council's older residents to maintain a connection with their local community."

Peter's flexible approach has enabled him to experience a variety of driving opportunities across all bus programs including, driving the smaller, manual, 12 seater bus which is used for shopping runs and driving the brand new 21 seater Fuso Rosa bus for the social programs.

Peter, who also keeps busy by travelling around Australia with his wife Barbara, restoring old homes, gardening and having a beer with his mates, has this advice for anyone interested in Volunteering—especially later on in life.

"It is really important not be stagnant after retiring. To be happy you need to keep busy and Volunteering with the Council is a great way to be a part of a team."

For more information about Volunteering with the Council's Community Services Program contact Kerry-Anne McVeigh 8366 4595 or kmcveigh@npsp.sa.gov.au

Multi-million-dollar infrastructure program

The Council can reveal for the first time the incredible time lapse vision of underground infrastructure work being undertaken across our City.

From installing culverts and pollutant traps—the vision of Second and Third Creek shows the extent of work required to ensure residents and businesses are protected from damaging flood waters.

The City's stormwater drainage network is one of many infrastructure assets which is provided and maintained by the Council for the community.

Looking ahead, the Council will be undertaking a range of works to reduce the risk of flooding in the suburbs of St Morris, Trinity Gardens, Maylands and Stepney.

The new infrastructure will reduce surface flood waters during storm events by

capturing stormwater and temporarily storing it in a detention basin in St Morris reserve as well as underground detention tanks within the road network.

The City's stormwater drainage network is one of many infrastructure assets which is provided and maintained by the Council for the community.

The Council will be engaging with local residents throughout the various stages of the project.

For further information please contact the Council's Project Manager, Assets, Scott Dearman on SDearman@npsp.sa.gov.au

Excitement builds for the Challenge Tour

The City of Norwood Payneham & St Peters has welcomed the exciting opportunity to be an integral part of the Santos Tour Down Under Challenge Tour, which is set to test the toughest of legs on 20 January next year.

The Challenge Tour will travel between Norwood and Campbelltown and will take place just hours before the world's best take on Stage 3 of the Santos Tour Down Under men's race.

Norwood is the home of cycling in South Australia and a gateway to the iconic Adelaide Hills; making it a fitting start for the Challenge Tour.

Santos Tour Down Under Race Director Stuart O'Grady OAM said Stage 3 was a stage for the climbers.

"All the action will begin on The Parade, marking Norwood's 15th time hosting a stage start."

"Norwood is a great launchpad for Santos Tour Down Under routes featuring climbs and Stage 3 of our 2023 men's race is set to test even the toughest legs," Mr O'Grady said.

"Norwood always has a really good start-line atmosphere. There are lots of cafes and it's a great place to grab a coffee before the start. It always has one of the best atmospheres of any Santos Tour Down Under start," he added.

The Santos Tour Down Under is Australia's greatest cycling race, with a rich history as the highest-regarded and most popular bike race in the southern hemisphere.

NPSP wins Gold

For the fourth year in a row, the City of Norwood Payneham & St Peters has received the coveted and highly respected Gold Award at the Australasian Reporting Awards.

The ARA Awards are open to all private sector, public sector and not-for-profit organisations in Australia, New Zealand and countries in the Asia-Pacific region and beyond.

The fun and colour of Volunteering in NPSP

Volunteering comes in many shapes and sizes—just ask long-standing Norwood Christmas Pageant Volunteers, Les Dennis and Wendy Elliott.

Les and Wendy both describe Volunteering in the City of Norwood Payneham & St Peters as an excellent way to keep busy, meet new friends and be part of a hardworking team.

They have worked lovingly on making and altering costumes for this year's Christmas Pageant when it returns on Saturday, 26 November from 10am.

This year the Pageant will be celebrating its 45th year and it is expected that thousands and children and their families will watch the magic as it rolls down The Parade.

Most importantly, they love helping out because it is so much fun.

To watch Les and Wendy talk about the upcoming Norwood Christmas Pageant [click here](#).

To find out how to become a Volunteer with the Council please contact Coordinator, Volunteer Services, Joel Blackie on 8366 4631 or jblackie@npss.sa.gov.au.

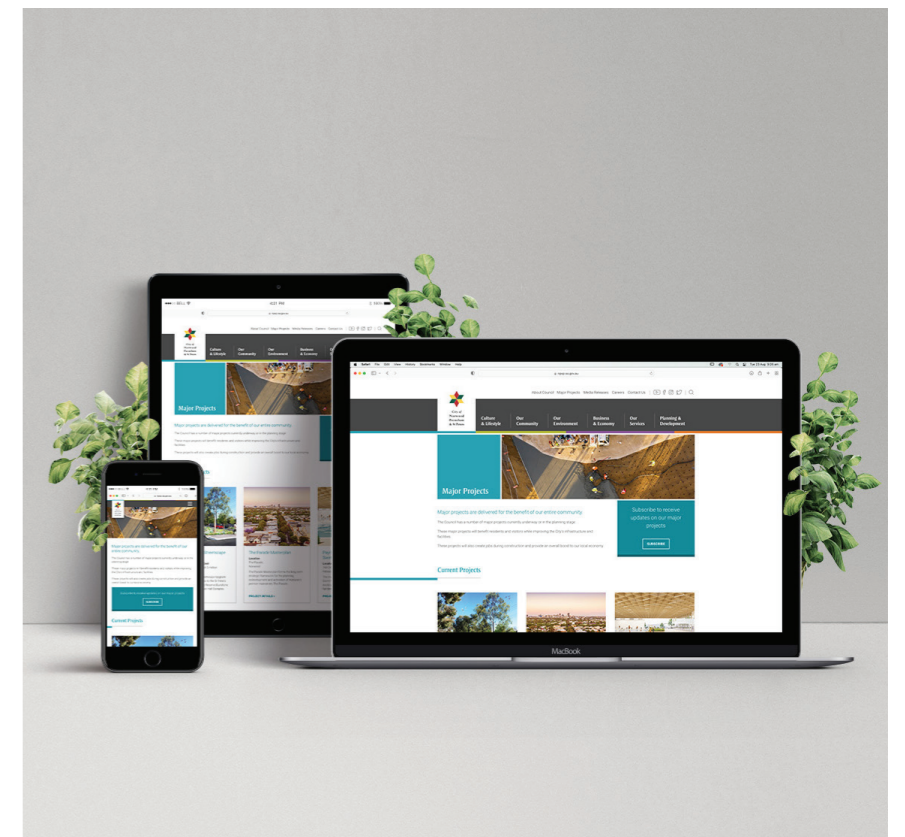

Revamp of Major Projects online information

The Council has updated its Major Projects online listing, ensuring that the community is continually kept up to date on projects happening in our City.

The Council is making a record investment in infrastructure projects in 2022–2023 and we want you to know all the details!

The page now has a sign-up function, as well as videos from the Mayor and the direct contact details of each project manager.

To visit the major projects listing [click here](#).

What's bin happening...

Make sure you never miss bin day. The Council's 2022 rubbish collection calendar can be found [here](#). To find out more visit www.npss.sa.gov.au

Lifelong learning in our Libraries
