Your arts and culture aspirations and ideas

The following section will help us ensure the new Arts & Culture Plan captures your aspirations and ideas for the future of arts and culture in our City.

What do you value most about arts and culture in the City of Norwood Payneham & St Peters?

Below is a list of ideas generated during internal consultation with City of Norwood, Payneham & St Peters staff to further strengthen the Cultural Vitality of our City. What proposed actions would you like included in the Arts & Culture Plan?

- Public Art Masterplan: develop a public art masterplan to identify places of potential and public art typologies for specific locations.
- Cultural Map of our City: use the map to promote local arts and cultural assets (eg theatres, galleries, studios), public art locations.
- Partner with Aboriginal Elders: identify and map sites of Indigenous significance to guide locations for First Nations artworks.
- Kaurna and First Nations Art & Culture: opportunities for our community to connect with Kaurna and First Nations art, culture and storytelling.
- Arts & Culture Exhibitions: activate St Peters Town Hall gallery within the Cultural Heritage Centre to showcase local artists across range of media, historical artifacts, storytelling.
- Interactive experiences: develop a program of interactive experiences led by artists, working across various mediums, at the Cultural Heritage Centre.
- Arts & Culture Grants: review Council's grants program to ensure it encourages and supports innovation and is open to all arts media.
- Online Artist Register: review Council's online artist register to ascertain how Artists would like it used to ensure it is relevant and of value.
- Business or resident seeking artist: consider business or resident seeking artist listings on Council website to match artists with local locations.
- Artist in Residence: consider opportunities for artist in residence initiatives.
- Creative Hoardings: develop guidelines to place artwork on hoardings surrounding construction sites. Increase arts & culture access: support programs in non-traditional spaces to bring arts & cultural experiences to neighbourhoods with limited access.
- Diversity of artists: ensure our City supports balanced range of opportunities and representation of artists at all levels (amateur to world-class).
- Cross Sector Collaboration: explore opportunities for cross sector collaboration (eg. arts & technology, the environment & science).
- Digitise Council's Cultural Heritage Collection: develop Digitisation Strategy to preserve and make collection accessible to public.
