Residential households and not-for-profit organisations are entitled to two free collections of damaged and unwanted hard waste items each year.[#]

Please allow up to 4 weeks booking time, a collection date will be provided to you after East Waste receives your booking request.

Mattresses and ensemble bases must be booked separately for recycling. Please allow 1–2 weeks for mattress or ensemble collections.

Collections will take place from 6.00am on the collection day. Items can be placed on the verge no earlier than 24 hours before your collection date and no later than 6.00am on the collection day.

A limit of two cubic metres (2m x 1m x 1m) applies to each booked collection.

Items dumped on the kerb that are not part of a booked collection could incur a \$315 fine for illegal dumping.

Please report any illegal dumping to the Council on 8366 4555.

[#]A third and fourth collection will be available each year, at a cost of \$50 per collection (\$25 for concession holders).

HARD WASTE

Ensuring public safety

- Place items securely on the kerb. Ensure the road and footpath are kept clear.
- Do not stack items too high. Lay tall items down.
- The length of any item must not exceed 2 metres.
- Items must be no greater than 50kg and able to be handled safely by two people.
- Bags or boxes must be strong enough so that they do not break open when lifted.
- Remove all doors from fridges and freezers.

Electronic Waste (e-waste)

E-waste (anything with a battery or cord) should not be placed in any of your kerbside bins or as part of hard waste collection. Since 2013, e-waste has been banned from direct landfill disposal in South Australia under the *Environment Protection (Waste to Resources) Policy 2010*.

E-waste can be readily recycled at various free drop off locations. For more information visit www.npsp.sa.gov.au

Household Chemicals, Paint and Electronic Waste

Household hazardous waste is not collected but can be dropped off for free at four Household Chemicals, Paint and Electronic Waste Drop-off Centres.

For locations and opening hours please visit the Council's website at www.npsp.sa.gov.au

The closest location is:
Campbelltown Depot
6 Newton Road, Campbelltown

How to avoid or reduce hard waste

Avoid purchasing low quality, non-durable items as these may break and need to be disposed of more often. Investing in better quality items will save you the additional expense of replacing broken items or purchasing new ones.

Too good to waste? Reuse it!

Before you book a hard waste collection consider fixing items, giving away or selling your unwanted items so that they can be reused rather than going to landfill. Watch online 'how to' videos and manuals, take to a repair shop, community repair cafe or get a handy person to help. Donate reusable items to family, friends, charity shops or salvage yards. You can also advertise your goods for free collection on the following sites:

- Facebook Marketplace
- Gumtree
- Zillow
- FreeCycle
- Local Buy, Swap Sell groups on Facebook
- Salvage & Save

Book your collection now.

For bookings and further information, please contact East Waste on 8347 5111, visit www.eastwaste.com.au or book on the My Local Services App (free download from the Apple App Store or Google Play).

Upon booking, you will receive a confirmed collection date. Collections will be undertaken within four weeks, however during periods of high demand this period may be longer.
